Assistant Commissioner for Patents
Washington, DC 20231

Sir:

On August 12, 2002, I transmitted forms for changing the Power Of Attorney for this patent application, having serial number 09/848,662, which was filed May 3, 2001. The application is for an invention assigned to ReefEdge, Inc.

I did not receive the return receipt postcard for the forms I sent, and when I called on October 15, 2002, I was told that I should re-submit the information by fax to the Art Unit.

I attempted to fax the information on October 15, 2002. After sending 3 of 4 pages, my fax machine jammed. I tried to complete the transmission, but the PTO fax machine would not answer. I tried several times on Oct. 15th, with no success. Therefore, I am re-sending copies of the originally-transmitted information for this application.

Following are:

- (1) Revocation of Power of Attorney for serial number 09/848,662 (1 page)
- (2) Statement Under 37 CFR 3.73(b) for serial number 09/848,662 (1 page)

It is believed that no additional fee is required. However, if fees are determined to be necessary,

X The Commissioner is hereby authorized to charge payment of the following fees associated with this communication or credit any overpayment to Deposit Account No. 501525. A duplicate copy of this sheet follows.

X Any additional filing fees required under 37 C.F.R. §1.16.

X Any patent application processing fees under 37 C.F.R. §1.17.
